Our taproom is designed for everyone to enjoy, with minors welcome until 7 p.m. and two pet-friendly patios perfect for relaxing with family and friends. After 7 p.m., we transition into #JettyAfterDark, a 21+ cocktail lounge vibe where you can savor our handcrafted cocktails in an intimate setting.

With 18 taps, including 16 of our own beers, rotating Washington ciders, and occasional guest taps, there's always something new to try. Pair this with our curated craft cocktail program, featuring exceptional spirits from near and far, for an unforgettable experience at North Jetty Brewing.

You can purchase and fill a North Jetty growler or freshly-filled 16 oz. cans, or bring your own growler (we don't mind!)
